## SMALL RESIDENCE BLAZE.

A fire occurred at the home of Mr.  
and Mrs. Luther Johnson in the south-  
western portion of the city this morn-  
ing at 11 o'clock and considerable  
damage was done by the flames and  
the water from the chemicals used by  
the fire company in extinguishing the  
blaze. Prompt work by the fire com-  
pany saved the dwelling, as the paper  
on two rooms was burned badly and  
the flames were fast gaining headway  
when the firemen arrived on the scene.  
The damage, estimated at about \$100  
to the house and furniture, is covered  
by insurance. The house belongs to  
Mrs. A. G. Board. The origin of the  
fire is unknown, but it is thought to  
have caught from a defective flue.

## FIRST DETAILS OF FORD PEACE PLAN

Party Will Go to Christiana and  
and Later Hold Meeting Prob-  
ably at The Hague.

[By Associated Press.]  
New York, Dec. 3.—Henry Ford,  
who returned to New York from De-  
troit Thursday, made his first an-  
nouncement of definite plans for his  
peace expedition, which will sail for  
Europe Saturday on the Scandinavian  
American liner Oscar II.

Mr. Ford denied he had any inten-  
tion of instigating a strike among the  
soldiers. He said that during the voy-  
age members of his party would be  
selected as permanent peace delegates  
to remain in Europe. He expects oth-  
er neutral nations to send delegations  
to meet the American peace seekers,  
probably at The Hague, to decide on  
further steps.

Mr. Ford proposes that the delega-  
tion from each neutral country appoint  
five members of the permanent body.  
This volunteer court of arbitration  
will map out schemes for the estab-  
lishment of peace in the hope of de-  
vising terms acceptable to all the bel-  
ligerents.

L. P. Lochner, secretary to the ex-  
pedition, said the idea of "getting the  
boys out of the trenches by Christ-  
mas" had been given up.

"The whole thing is trying the im-  
possible," he said, "but we are trying  
just the same."

In a signed statement just issued  
later in the day Mr. Ford declared that  
"envoys of thirteen belligerent and  
neutral European governments found  
overwhelming evidence in hand that  
the belligerent governments would not  
be opposed to a conference of neutral  
nations."

Mr. Ford said the expedition expects  
to stop first at Christiania, Norway.  
From there it will proceed to Stock-  
holm, Copenhagen and The Hague.  
He asserted he had definite letters of  
assurance that the mission will be wel-  
comed with enthusiasm in Norway,  
Sweden, Holland, Denmark and other  
countries which may be included in  
the itinerary.
